- Our trainers are part of BABoK V3 authoring and exam committees and have served 200+ top-notch clients including Wells-Fargo Bank, Credit Suisse, HP, CGI, AXA, AkzoNobel, Ness, Unisys, etc. We are proud to have a 100% key client retention rate.

Vision
To be the most admired business analysis solutions provider in the world.

Mission
To help our participants and clients succeed in their business analysis career and endeavor.

Quality policy
Delight customers through innovative, timely and cost-effective solution.

ADAPTIVE US USPs

PROVEN CAPABILITIES

Adaptive has successfully completed over 400+ business analysis, data analytics, and requirements engineering workshops. Our BA trainers come with cumulative experience of 150+ person-years. Adaptive has significant expertise in helping clients in their business analysis and requirements engineering competency development. Adaptive has been associated with the world's largest paints manufacturing company for improving their business analysis and requirements engineering competency.

DATA ANALTICS SKILL BUILDING & TOOLS CLASSES

Adaptive US helps in developing in-demand data analytics (DA) skills for professionals who are eager to stay ahead of the curve in today's data-driven environment. The Data Analytics skill-building and tools training provide hands-on experience on popular Data Analytics tools like Microsoft Excel, SQL, Tableau, Power BI, Python etc., and enables students to create important Data Analytics deliverables by means of a Live Project where the student will be given assignments based on a case study.

CBDA MASTER CLASS WITH 100% SUCCESS OR 100% REFUND

We share your success and failure. We have you covered for 2 unsuccessful CBDA exam attempts by paying for the exam retake fees totaling to USD 390 and refund of the CBDA part of the course fees paid to Adaptive minus

payments made to IIBA, if you are unsuccessful in the 3rd attempt, upon meeting our terms.

EXCELLENT FEEDBACK

Adaptive workshops have received 500+ excellent feedbacks.

Google 4.9 ★★★★★   Trustpilot ★★★★★

Customer feedbacks are available at Review (adaptiveus.com)

SUCCESS RATE

We have certified 1800+ professionals for IIBA certifications while maintaining a 97+% success rate. Rest assured, you are in the best hands to succeed in the very first attempt.

PRACTITIONERS WHO TRAIN

All Adaptive trainers are practicing business analysts and data analysts who have shaped the industry with 25+ years of experience. Our Trainers are CBDA certified, have been part of IIBA exam setting committee and part of BABoK authoring team.

PERSONALIZED ATTENTION

With Adaptive, you are assured of personalized attention from every member in Adaptive. We take pride in the fact that almost all our clients have come back repeatedly to us for their services.

FOCUSED CBDA QUESTION DISCUSSION TO ENABLE PASSING IN THE FIRST TAKE

We have dedicated 1-hour live exam prep tutorials for 6 months in preparing students for questions. This is where the trainer clarifies subject-related and exam-related questions that the students may have and explain how to arrive at the final answer, which is crucial from the exam preparation perspective. This helps students a great deal in improving their understanding of answering questions and relating them to CBDA.

EASY VIRTUAL ONLINE CLASSES

Classes can be taken from anywhere with class recordings to re-watch classes later.

BA E-LEARNING

Adaptive has developed eLearning on business analysis, data analytics, and requirements engineering concepts for continuous learning.

WE SUPPORT YOU TILL YOU PASS

Re-sit for classes at no extra cost if you did not pass on the first attempt, along with success guarantee

ACCREDITATIONS

Adaptive is an endorsed Education Provider for the International Institute of Business Analysis (www.iiba.org), Canada.

OUR 5 GUARANTEES

Adaptive US is totally **COMMITTED** to your success, and we share

the **RISK** and **REWARD** with you.

With us, you can take your IIBA certification exam with complete **PEACE OF**

MIND.

CUSTOMERS SPEAK

Adaptive US was a great choice for training in my pursuit of the CBDA certification and I am totally satisfied with the training sessions and content of the self-learning course that I have purchased. I would highly recommend Adaptive US to anyone who considers pursuing any IIBA certification.

PAMBOS CHARALAMBOUS

★★★★★

I just passed the CBDA exam and I can confidently say that I would not have passed without the use of the AdaptiveUS study materials! The study guide, class recording and exam questions made things super easy for me, Thanks to the entire team of Adaptive US, keep up the great work. I highly recommend them for CBDA

OLADAPO LADEJI

★★★★★

Thomas Bjarnested Simonsen
75 reviews

★★★★★

Adaptive US Inc is an exceptional Business Analysis training provider. The trainers are real Subject matter experts in their relevant field but what differentiate Adaptive US Inc from all other training provider is that they are still very much interested in your development after you have completed their training course.

I would highly recommend Adaptive US Inc to anyone looking for Business Analysis training course.

Emeka Uwaechi
2 reviews

★★★★★

Adaptive US provides amazing tools and exam study materials for all IIBA Certification exams. Adaptive US is rich with experience and professional trainers who are contributors in the BABOK v3 study guide. The training and materials that I have, helped prepare me for success in my upcoming exam. I will ace my exam for sure.

Reetu Duggal
1 review

★★★★★

Even though I was very skeptical initially but at the end of the training I was pleased that I took the plunge. The instructors were knowledgeable and provided real-life scenarios and easy to understand materials. Step by step guide how to achieve your goals /audio books/reference material etc...It was all worth it! Would **highly recommend Adaptive US** for all BA certifications.
