About **Adaptive**

Adaptive US Inc. is World's #1 IIBA training organization. Adaptive has served 10000+ business analysts across 500+ organizations world-wide to improve their business analysis competencies and practices.

Key facts about Adaptive:

- ✓ World's most innovative business analysis solutions organization.
- ✓ 100+ person-years' experience in BABOK, Agile, and Requirements engineering.
- ✓ 250+ Clients across the globe.
- ✓ Trained 10000+ BAs globally
- ✓ 20+ Fortune 500 clients.
- ✓ Successfully conducted 300+ workshops in India, US, Thailand, Philippines, Malaysia.
- ✓ Online sessions for world-wide audiences.
- ✓ 10+ International partners.

Adaptive USPs

- **Proven capabilities** – Adaptive has successfully completed over 300+ business analysis and requirements engineering workshops. Our BA trainers come with cumulative experience of 100+ person-years. Adaptive has significant expertise in helping clients in their business analysis and requirements engineering competency development. Adaptive has been associated with the world's largest paints manufacturing company for improving it's business analysis and requirements engineering competency.

- **Excellent feedback** – Adaptive workshops have received excellent feedback. Customer feedbacks are available at [aac-review (adaptiveus.com)](https://adaptiveus.com)

- **Success Rate** – We have certified 1000+ professionals for IIBA certifications while maintaining a 97+% success rate. Rest assured, you are in the best hands to succeed in the very first attempt.

- **Practitioners who train** – All Adaptive trainers are practicing business analysts who have shaped the industry with 25+ years of experience. Our Trainers are AAC certified, have been part of IIBA exam setting committee and part of BABoK authoring team.

- **Personalized attention** – With Adaptive, you are assured of personalized attention from every member in Adaptive. We take pride in the fact that almost all our clients have come back repeatedly to us for their services.

- **Focused AAC question discussion to enable passing in the first take** – We have dedicated 1-hour live exam prep tutorials in only preparing students for questions. This is where the trainer clarifies subject related and exam related questions which the students may have and explain how to arrive at the final answer, which is crucial from the exam preparation perspective.

  This helps students a great deal in improving their understanding of answering questions and relating them to AAC.

- **Easy online classes** – Classes can be taken from home with class recordings to re-watch classes later.

- **BA eLearning** – Adaptive has developed eLearning on business analysis and requirements engineering concepts for continuous learning.
- **Accreditations** – Adaptive is an endorsed Education Provider for the International Institute of Business Analysis (www.iiba.org), Canada.

★★★★★ a year ago

Without mincing words, Adaptive is an organization with proven competence in Business Analysis and it is run by seasoned professionals.

I am yet to see an organization as responsive as Adaptive. They responded to my requests quicker than expected and kept all their promises.

LN is a great facilitator with vast knowledge of Business Analysis. He has a way of breaking down difficult tasks into easy bits.

I recommend Adaptive to anybody willing to pass Business Analysis certification exam and get value for money.
