ADAPTIVE USPs

PROVEN CAPABILITIES

Adaptive has successfully completed over 300+ business analysis and requirements engineering workshops. Our BA trainers come with cumulative experience of 100+ person-years. Adaptive has significant expertise in helping clients in their business analysis and requirements engineering competency development. Adaptive has been associated with the world's largest paints manufacturing company for improving it's business analysis and requirements engineering competency.

SUCCESS GUARANTEED TRAINING

We share your success and failure. For our Live Instructor Led Training, we have you covered for 2 unsuccessful CBDA exam attempts by paying for the exam retake fees limited to USD 195 and refund of the entire training fees paid to Adaptive if you are unsuccessful in the 3rd attempt, upon meeting our success guarantee terms. Learn More

EXCELLENT FEEDBACK

Adaptive workshops have received excellent feedback. Customer feedbacks are available at cbda-review (adaptiveus.com)

SUCCESS RATE

We have certified 1200+ professionals for IIBA certifications while maintaining a 97+% success rate. Rest assured, you are in the best hands to succeed in the very first attempt.

PRACTITIONERS WHO TRAIN

All Adaptive trainers are practicing business analysts who have shaped the industry with 25+ years of experience. Our Trainers are CBDA certified, have been part of IIBA exam setting committee and part of BABoK authoring team.

PERSONALIZED ATTENTION

With Adaptive, you are assured of personalized attention from every member in Adaptive. We take pride in the fact that almost all our clients have come back repeatedly to us for their services.

FOCUSED CBDA QUESTION DISCUSSION TO ENABLE PASSING IN THE FIRST TAKE

We have dedicated 1 hour live exam prep tutorials for 6 months in only preparing students for questions. This is where the trainer clarifies subject related and exam related questions which the students may have and explain how to arrive at the final answer, which is crucial from the exam preparation perspective. This helps students a great deal in improving their understanding of answering questions and relating them to CBDA.

EASY ONLINE CLASSES

Classes can be taken from home with class recordings to re-watch classes later.

BA E-LEARNING

Adaptive has developed eLearning on business analysis and requirements engineering concepts for continuous learning.

ACCREDITATIONS

Adaptive is an endorsed Education Provider for the International Institute of Business Analysis (www.iiba.org), Canada.

CBDA

Have purchased the IIBA-CBDA course & pretty impressed with the resources and content. I am confident that I can pass my certification exam with this course alone.

CBDA Assisted Learning

I used their service for CBDA Assisted Learning. The study guides were a huge help on getting me to pass the exam. I am glad they went through the essential reading topics as well. The training recordings were also helpful especially when they went over the different techniques to use on each domain.
